

**SAVE THE DATE**

## THE 2011 EVENT YOU CANNOT MISS!

**Dive into the Italian culture,  
technology, hospitality**

Education – Twelve educational presentations  
from qualified speakers

New Technologies and innovations

Workshops – Witnessing the challenge on the new technologies

Process tests on equipment – Documentation table top

Networking – Social activities

Italian wine tasting – Italian gourmet food

Guided tour at the Leonardo's "Last supper" \*

Live music – gift lottery – Golf putting green competition

\* In alternative: Milan Science Museum – Italian submarine Enrico Toti –  
Art gallery "Pinacoteca di Brera" – Sforzesco Castle – Museum of the Twentieth  
Century (Contemporary Art)

## TUESDAY 21<sup>ST</sup> JUNE

- h. 9.00** Welcome coffee and registration
- h. 10.00 - 11.00** Presentation: "On-line Infrared NIR Spectroscopy for Process Optimisation in Fluid Bed dryers & Continuous Coaters in the Pharmaceutical Industry" \*
- h. 10.30** Workshop: "Enteric film coating process for pellets' trial in Lab50 solid wall coater"
- h. 11.30 - 12.30** Presentation: "Contained tablet press – Solution to control operators' exposure"
- h. 11.30** FBD 5 processor one-step granulation process trial
- h. 12.30 - 14.00** Lunch
- h. 14.30 - 15.30** Presentation: "GMP project compliance: the right approach from day ONE"
- h. 15.00** Production tablet aqueous film coating process trial in Perforated Coater PSC 400
- h. 16.00 - 17.00** Presentation: "Energy efficiency in HVAC systems design for clean rooms"
- h. 18.00** Wine tasting
- h. 20.00** Dinner – Lottery – Live Music

**Every hour** Laboratory tour - 400 m<sup>2</sup> High Quality Clean Room

**Every hour** Nicomac factory tour

**Anytime** Golf putting green competition

## WEDNESDAY 22<sup>ND</sup> JUNE

- h. 9.00** Welcome coffee and registration
- h. 10.00 - 11.00** Presentation: "The new ISPE Good Practice Guide on cold chain management – Key Concepts and Overview" \*
- h. 10.30** Workshop: "Enteric film coating process for pellets' trial in Lab50 solid wall coater"
- h. 11.30 - 12.30** Presentation: "Industry and University – A win-win approach to sustain innovation"
- h. 11.30** FBD 5 processor one-step granulation process trial
- h. 12.30 - 14.00** Lunch
- h. 14.30 - 15.30** Presentation: "Certified Fire resistant Doors and Speed Doors – flexible technical solutions for compliant environments"
- h. 15.00** Production tablet aqueous film coating process trial in Perforated Coater PSC 400
- h. 16.00 - 17.00** Presentation: "Design of an ultrafiltration system for coating solution preparation"
- h. 18.00** Wine tasting
- h. 20.00** Dinner – Lottery – Live Music

**Every hour** Laboratory tour - 400 m<sup>2</sup> High Quality Clean Room

**Every hour** Nicomac factory tour

**Anytime** Golf putting green competition

## THURSDAY 23<sup>RD</sup> JUNE

- h. 9.00** Welcome coffee and registration
- h. 10.00 - 11.00** Presentation: "Risk of explosion in the pharmaceutical industry – Basic input for selection of machinery" \*
- h. 10.30** Workshop: "Enteric film coating process for pellets' trial in Lab50 solid wall coater"
- h. 11.30 - 12.30** Presentation: "Lean sigma in pharmaceutical manufacturing"
- h. 11.30** FBD 5 processor one-step granulation process trial
- h. 12.30 - 14.00** Lunch
- h. 14.30 - 15.30** Presentation: "Isolated dedusting systems – Novel applications to reduce risks to operators and environment pollution"
- h. 15.00** Production tablet aqueous film coating process trial in Perforated Coater PSC 400
- h. 16.00 - 17.00** Presentation: "New technologies for proteins and biological products purification"
- h. 18.00** Wine tasting
- h. 20.00** Dinner – Lottery – Live Music

**Every hour** Laboratory tour - 400 m<sup>2</sup> High Quality Clean Room

**Every hour** Nicomac factory tour

**Anytime** Golf putting green competition

\* 10:00 - 12:30 visit with international guide to Leonardo da Vinci's "Last Supper" (limited entry 25 people)

• IN ALTERNATIVE •

Guided tour at Leonardo da Vinci Science Museum – Italian submarine Enrico Toti  
 Guided tour at Art gallery "Pinacoteca di Brera"  
 Museum of the Twentieth Century (Contemporary Art)  
 Guided tour at Sforzesco Castle

\* 13:30 - 16:00 visit with international guide to Leonardo da Vinci's "Last Supper" (limited entry 25 people)

\* 10:00 - 13:00 visit with international guide to Leonardo da Vinci's "Last Supper" (limited entry 50 people)
